

Login instructions for shareholders:

- 1) Go to www.banclist.com.
- 2) **NEW USERS.** Click on "Create a BancList Account" tab.

- 3) Accept Agreement.
- 4) Follow the registration instructions to set up a BancList.com account. You will get a "Welcome" email that contains a link to www.banclist.com. Click the link, enter email address again and the password created during the registration process. You are set to view and create listings.

- 5) **EXISTING USERS** (if you were registered on www.communitybanklist.com). Go to www.banclist.com and click the "Sign In" tab in the top right corner. Click "Forgot Email." Site will prompt you to enter the same email address and create a password. You will receive a "Welcome" email as if a new user.

New users logging on for the first time to BancList.com should check their junk and spam files if they do not receive a "Welcome" email from BancList shortly after submitting their email address.
